## Preparation Course for the Thai Foreign Ministry's Recruitment, 2011 (diplomatic service officer, practitioner level)

The main aim of this particular course is to provide students with a thorough understanding of the global society from the standpoint of international relations. It broadens students' knowledge in contemporary diplomacy, international politics, international affairs and others that are needed in diplomatic practices concentrating mainly on the 21st century international affairs.

### Students will:

- be familiar with the fundamental principles and concepts of international relations,
- have a general view of the basic concepts in international economics at the micro and macro levels,
- have a good understanding of general principles of international law,
- have a critical recognition of international organizations with specific focus on the UN.

Thus students are expected to have acquired their skills and abilities to become such potential candidates for the ministry's recruitment.
